

**Mr Sparks shows that if Mr Tax Rebate puts €20,000 of his savings into his pension, the taxman will give him back €8000 of the income tax paid the previous year.**

The illustration shows a blue character with a large open mouth, holding a piece of chalk, standing behind a chalkboard. An orange character with a blue bow and a pink piggy bank is running towards the chalkboard. The chalkboard contains the following text:

PENSION CONTRIBUTION	€20,000
gives you:	
INCOME TAX REBATE (@ 40%)	€8000

At the bottom right of the chalkboard, there is a logo for SPARKSWEALTH.
